## Trustee's Report

### 30 June 2022

The directors of the Trustee of Chain Reaction Challenge Foundation ("the Foundation") present their report on the Foundation for the year 1 July 2021 to 30 June 2022 ("the year"). The Foundation is an Australian registered trust.

#### **Directors**

The following persons were directors of the Trustee Company during the whole of the financial year and up to the date of this report, unless otherwise indicated:

- Berrick Wilson
- Daryl Browning
- Michael Byrom
- John Ward
- Andrew Hayne
- Patrice Sherrie (resigned 16 March 2022)
- Charles Moore

#### **Principal activities**

Chain Reaction is the Ultimate Corporate Bike Challenge that raises money for children in need by challenging business executives who have a passion for cycling and an awareness of their corporate social responsibilities, to ride a demanding course over multiple days.

Chain Reaction is not a mass-participation event; instead, it concentrates on selected individuals who want the physical challenge. In return, they benefit from valuable networking opportunities and the immense satisfaction of directly helping children in need.

#### **Dividends**

No dividends were paid as the Foundation is prohibited pursuant to its Constitution to distribute dividends.

#### **Review of operations**

The 2022 financial year was a record fundraising year for Chain Reaction with total revenue of \$4,295,114. Expenses for the year totalled \$1,165,229 which allowed the distribution of \$3,038,520 to our children's charity partners which is also a record for Chain Reaction.

#### **Significant changes in the state of affairs**

The Brisbane and Melbourne events both set new fundraising records with \$1,540,020 and \$1,426,391 raised respectively. The Sydney event raised \$856,295 and the Women's event raised \$433,070 which was a great result given that it had to change from a physical ride to a virtual event as a result of COVID-19 border restrictions. These results could not have been achieved without the hard work and persistence of our riders.

## **Matters subsequent to the end of the financial year**

No matters or circumstances have arisen since 30 June 2022 that have significantly affected, or may significantly affect:

- (a) the Foundation's operations in future financial years, or
- (b) the results of those operations in future financial years, or
- (c) the Foundation's state of affairs in future financial years.

## **Environmental regulation**

The Foundation is not subject to significant environmental regulations.

## **Indemnification and insurance of directors and auditors**

Indemnity insurance was taken out by Chain Reaction Challenge Foundation to provide indemnity and insurance to directors of the Trustee.

## **Auditor**

PricewaterhouseCoopers continues in office as auditors of the Foundation.

This report is made in accordance with a resolution of the directors of the Trustee Company of the Chain Reaction Challenge Foundation.

## Notes to the Financial Statements

### For the year ended 30 June 2022

Chain Reaction Challenge Foundation, a not-for-profit entity, has prepared special purpose financial statements as, in the opinion of the Directors, it is unlikely there are users of these financial statements who are not in a position to require the preparation of reports tailored to their information needs. Accordingly, these financial statements have been prepared to satisfy the Directors' reporting requirements under the Australian Charities and Not-for-profits Commission Act 2012.

Chain Reaction Challenge Foundation has not assessed whether these special purpose financial statements comply with all the recognition and measurement requirements in Australian Accounting Standards.

The material accounting policies adopted in the special purpose financial statements are set out in note 1 below and have all been assessed as complying with all the recognition and measurement requirements in Australian Accounting Standards

#### 1 Summary of significant accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below.

##### (a) Basis of preparation

This special purpose financial report that has been prepared to meet the requirements of the Trust Deed and distribute a financial report to the Trustee. The directors of the Trustee have determined that the accounting policies adopted are appropriate.

**AASB 101:** *Presentation of Financial Statements*

##### *New and revised accounting standards*

No impact on accounting policies or financial statements as a result of adopting new accounting standards during the year.

##### *Historical cost convention*

The financial statements have been prepared in accordance with the historical cost convention.

##### *Critical accounting estimates*

The preparation of financial statements in conformity with Australian Accounting Standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Foundation's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 2.

##### (b) Revenue recognition

Revenue is recognised for the major business activities as follows:

###### (i) *Donations*

Donations are recognised as income when received.

###### (ii) *Sponsorship and event entry fees*

Sponsorship and event entry fees are recognised as income in accordance with the timing of the specified events.

**(c) Income tax**

The Foundation is a charitable fund and has received Australian Taxation Office endorsement for income tax exemption, and as such the income of the Foundation is not subject to income tax.

**(d) Cash and cash equivalents**
