## **Chain Reaction Challenge Foundation Notes to the Financial Statements For the year ended 30 June 2018**

### **1 Summary of significant accounting policies**

The principal accounting policies adopted in the preparation of these financial statements are set out below.

#### **(a) Basis of preparation**

In the directors' opinion, the Foundation is not a reporting entity because there are no third party users' dependent on general purpose financial reports.

This special purpose financial report that has been prepared to meet the requirements of the Trust Deed and distribute a financial report to the Trustee. The directors of the Trustee have determined that the accounting policies adopted are appropriate.

The entity has adopted the measurement requirements of Accounting Standards, Australian Interpretations, and other applicable Accounting Standards and Urgent Issues Group Interpretations. Disclosure requirements have not been adopted, with the exception of the following:

- AASB 101:** *Presentation of Financial Statements*
- AASB 107:** *Cash Flow Statements*

#### *Historical cost convention*

The financial statements have been prepared in accordance with the historical cost convention.

#### *Critical accounting estimates*

The preparation of financial statements in conformity with Australian Accounting Standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Foundation's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 2.

#### **(b) Revenue recognition**

Revenue is recognised for the major business activities as follows:

##### *(i) Donations and Sponsorship*

Donations and sponsorship income is recognised as income when received.

##### *(ii) Interest income*

Interest income is recognised on a time proportion basis using the effective interest method. When a receivable is impaired, the Foundation reduces the carrying amount to its recoverable amount, being the estimated future cash flow discounted at the original effective interest rate of the instrument, and continues unwinding the discount as interest income. Interest income on impaired loans is recognised using the original effective interest rate.

#### **(c) Income tax**

The Foundation is a charitable fund and has received Australian Taxation Office endorsement for income tax exemption, and as such the income of the Foundation is not subject to income tax.

#### **(d) Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and deposits held at call with financial institutions.

**(e) Goods and Services Tax (GST)**

Items of revenue and expenses are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of the expense.

Cash flows are presented on a gross basis. In the future the Foundation may have GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the taxation authority; these will be presented as an operating cash flow.

**(f) Property, plant and equipment**

Property, plant and equipment are carried at historical cost less accumulated depreciation or amortisation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. All subsequent costs, including repairs and maintenance, are expensed as incurred.

Depreciation on plant and equipment is calculated using the straight line method to allocate cost, net of the residual value, overestimated useful lives as follows:

<b>Class of Asset</b>	<b>Useful Life</b>
Computer Equipment	3 years
Motor Vehicles	10 years
Office Equipment, Furniture and Fittings	4-10 years
Softwares	3 years

**2 Critical accounting estimates and judgements**

In the current financial year, Chain Reaction Challenge Foundation has made no critical accounting estimates or judgements.
